

16th December, 1932.

Dear Mr. Farard,

I wish to thank you for your letter of 14th December, in which you write to me as Chairman of the Victoria Hospital for Children, and I assure you it is with the greatest pleasure I have been able to give some help towards your great need. Will you kindly convey this sentiment, and my good wishes, to the Committee of Management.

I have seen Lord and Lady Ellenborough, and will soon begin the portrait.

Hoping to have the pleasure of seeing you and Miss Farard here one afternoon at tea time,

Believe me,

Yours very truly,

Arthur G. Farard, Esq.
