My dear Dr. G. P.

I had kind of you
to write to me from
Morgantia when you
sight - I have been
resting, and not writing
at all, I feel certain
It will be the greatest
pleasure for me to receive

Thank you for your kind
invitation to come & see you
one afternoon between

5 & 6, & I only one day when
in London. I often come
of the day —

It will be so nice
although such a to see

you in your situation
where I expect to be happy?
hours - with you, & on

Antony Charles —

The picture is really a jag
tone - & so much
admired & prized by so
many.

Be kind me
John & Mrs. Hillingdon
