Dear Mr de Laszlo,

Thank you so very much
for sending me a copy of
the Strand Magazine. I feel
indeed honoured to appear in
such a prominent position,
in fact I feel really very excited!
I think the article is charming
& we read it with much
interest.

We are off tomorrow
to Italy for six weeks, but
when we get back we do so
hope you & Mrs de Laszlo will
come & see us. Thank you

So much again for sending
me a copy of the Strand,
which I am so glad to have &
keep.

My husband sends many

messages - Yours gratefully

Margaret Leese.
