

REALE ACCADEMIA D'ITALIA
IL PRESIDENTE

11 Via Condotti,
Rome, 25th February, 1933.

Dear Mr. de Laszlo,

As advised in my last letter to you, I have much pleasure in enclosing a "Permit" to visit the collection of paintings in Palazzo Negrotto Cambiaso, Via Balbi, No.1, which I am sure you will thoroughly enjoy.

I enclose also a introductory letter to the Mayor of Genova, Senator E. Broccardi, to whom I have already written about your intended visit to Genova, asking him to afford you all possible assistance.

I hope this will help to make your stay interesting and pleasant, and shall be glad to hear when you expect to reach Rome.

With kind regards to Mrs. de Laszlo and yourself, in which my wife joins me, *I am*

Yours very sincerely,

G. Marconi
