Dear Mr. de Laszlo,

How very kind

of you to send us this beautiful book. We shall treasure it greatly, especially for the very kind words you have inscribed in it.

We look back with the greatest pleasure on your all too brief stay with us & I assure you that your portraits are a constant joy to us &

to all who see them.

With my renewed thank for your
my kind regards & kindest regards,

Yours sincerely,

Luigi's Machel.
