

6th March, 1930.

Dear Sir,

In the absence of Mr. de Lassie, who is at present abroad, I am attending to his correspondence and wish to acknowledge with thanks your letter to him of March 4th, and the photograph of your daughter which accompanied it.

Mr. de Lassie will be returning to London at the end of this month, and I should be glad to know whether I may retain the photograph until his return, when I feel sure he would be very pleased to see your daughter one day in his Studio.

Mr. de Lassie's honorarium for a head and shoulders portrait is 300 guineas, and for a sketch portrait, 300 guineas.

I will, however, communicate with you again immediately Mr. de Lassie returns.

Yours faithfully,

Secretary.
