

June 11th

21, HARLEY HOUSE,

REGENTS PARK.

My Lie -

Mr. Cook wishes me
to tell you that he
has unfortunately an
important dinner
engagement tomorrow
at seven o'clock, so

LETTER TO MARY
MAY 1874

perhaps you will
find it convenient
to be as punctual as
possible at half past
six. It would be better
to keep this appointment
I think now if you

have only five or ten
minutes interview
as it would make
further arrangements
easier on both sides
as we should then
leave you place
for returning to England
yours very truly
Elizabeth C. G.
