Dear Mr D Laszlo-

I have had my letter returned to me - The Y just made a mistake. But the postman was evidently not intelligent -

I am very anxious to know what I may say in my Book of my beloved Father Deinard about you -

I have so often fought  
your battles - re that  
case - with people who  
thought they knew everything  
from the Foreign Office!!  
That I should enjoy  
making a definite remark  
But should do nothing  
without your permission.  
I can't ~~have~~ all  
of father's papers ~~and~~ letters  
etc - as this case ~~is~~ others.  
I have been ill for seven weeks  
so excuse just typed letter -  
Yours ever sincerely Isaac Calista
