

Keyes

19th November, 1930.

I wish to thank you for your letter of the 17th which reached me only this morning.

In accordance with your suggestion, I should be very pleased to compare your portrait again, and I have already left a message for you this afternoon by telephone to 39, Lowndes Street that I should be glad if you could come to my Studio to-morrow, the 20th, at 2.15. I am much looking forward to seeing you, and it would be great satisfaction to me to know that, by your having another sitting for the picture, I should be gratifying Mrs. Bowlby's wishes.

It is very kind of you to suggest our visiting you one week-end, and we should accept with the greatest pleasure if you would kindly suggest dates to my wife.

I am so pleased to hear that the Queen of Spain saw my work when visiting you. I had the honour yesterday of showing Her Majesty and Princess Beatrice the pictures at the Antwerp Exhibition of The Royal Society of British Artists, of which I am President.

Our Stephen's wedding will take place on January 14th, and we are very happy indeed with his choice.

Believe me,  
Yours sincerely,
