

ADMIRALTY HOUSE,
PORTSMOUTH.

22nd Jan

● Dear Mr. De Lazlo

You asked me
to let you know when
I was in London. I have
not been able to come up till
now as our boys have been
having mumps, but they are
now out of quarantine & go
back to school on Friday &

● am going to stay with my
mother at 39. Lowndes St (her
new house - Alpha. Sloane 3207)
over the weekend. I think
most probably you will be away

but if not, would it
be convenient if I came to
see you on Saturday about
3-45 ? or any time on Sunday?

Hoping this may visit you
With kind remembrances to

you - Mr. De laze from
us both

Yours sincerely
Eva Keyes
