Dear Mr. de la Roche

You once kindly
promised that you
would make a small
alteration to the
Mosaic, of this
picture of my daughter
Lady Keyes, & I
am making so bold
as to take you at
your word. I have

brought the picture
to your Studio, we
hope that you may
find time to do it -

I am turning out
of my house here
this week & moving
into a new one

39 Lowndes Street -
not very far, but

Any move makes
terrible chaos:-

Hoping you will
forgive me for the
liberty I am taking
Yr sincerely

Ed Booth
