

22nd Nov. 1923

WOODREDON,
WALTHAM ABBEY,
ESSEX.

TEL. WALTHAM CROSS 48.

Dear Mr de Lazlo

I ordered a frame
for Laib's reproduction
of your portrait of me -
Similar to the one
My wife sent you -
Some time ago, but
it had not arrived
when I left the Admiralty.
Today but I hope to
send it early next
week - You said you
would like to have

Mr.

Everyone who has
seen my portrait —
is full of admiration
of it. It certainly is
a wonderful picture —
as to that there are no
two opinions — and
I am more than grate-
ful and so is my
wife.

I had hoped to
send you some mementos
of our sitting in

Christmas but I have
not yet found what
I want - tho' I am on
the track of something
that I think you would
like in your studio.

With kindest remembrance
from us both to you
Mrs de Lazlo and
your ones and every
good wish for Christmas
and 1924.

Believe me
Yours very truly
Rouben
