Dear Mr. de Laszlo:

Lieut. Melser Malcomson
Khan of Ualer Kotla whose
portrait you painted for
Mr. Chandlerlain leaves
England tomorrow to rejoin
his appointment on the
Staff at the front. If
you are giving him a
print of the picture
would you kindly send

it to me here & I shall
have it carefully packed
& sent to its destination.

I am glad to hear
that you & your family
have got to the country
for a time. London is
not an ideal place
in this heat.

Yours sincerely,
J. R. Dunscombe.

Dear Mr. de Lasylo,

I have delayed
answering your kind letter
of the 11th until I could re-
port the arrival of the
copies of the print. These
have come this morning
& I send you my cordial
thanks for the copy you
have so generously given
to me. It is a striking work

and you have caught
the Pathan spirit of his
ancestors in his expression.
I have sent his two
copies to the Lindan who
is now in Egypt.

Yours gratefully
J. W. Dunsford
