

1st February, 1923.

W. E. Paterson, Esq.,
Dunira Estate Office,
Gourie,
Perthshire.

Dear Sir,

In accordance with the arrangements made by Mr. de Laszlo with Mr. Macbeth for the taking of photographs of the portraits which Mr. de Laszlo has just painted at Dunira, Mr. Saul Laib, the photographer, will be arriving at Glenogies at 8.45 on Monday morning next, February 6th. He will have with him everything necessary for taking the photographs, and will be glad if you will send to Glenogies to meet him.

I understand it has been arranged that two men from Messrs. Robertson & Bruce, 40, Commercial Street, Dundee, are to be at Dunira on Monday morning to take down the pictures and re-impregnate them, and that at the same time the portrait of Mr. Macbeth is to be glazed.

Mr. Laib will bring back to London with him the essai which Mr. de Laszlo left at Dunira for the purpose of the photographs.

Yours faithfully,

Secretary.
