Dear Mr de Laszlo,

Many thanks for your letter of 30th December and I am pleased you will arrive at Gleneagles Station on Saturday morning. I hope the weather will be good and that you will enjoy your stay with us.

X It is quite likely that I will travel up to London on Thursday night and if so I will be coming back by the same train as you on Friday night.

With kindest regards from Mrs Macbeth and myself.

Yours very sincerely,

X P.S. Since writing the above I have received your wire asking if it will be convenient for you to arrive on Friday morning and I have just wired saying it will be quite convenient. I will be travelling up to London tomorrow night and hope to travel back by the same train as you on Thursday and will look out for you at Euston.
