Dear Mr. Laszlo

I saw your photograph
in my paper this morning
and I write to congratulate
you as having been elected
President of the R.B.C.!
Now I should very much
like to know when
it would be convenient
for you to start work as

key portrait - I would
have written before had
I not succumbed to a
sharp attack of "flu"
which has put me
'out of action' for
days -

Accepting your kind regards
& with kind regards

Yours sincerely
