Dear Mr. de Lacy

Mr. Ralli & I would like
to call on you one of these days
to see whether you can now
undertake to paint two of our
children. You will remember perhaps
that we were in correspondence
about this ~~idea~~ before you went
to America. If convenient to
you we could call & see you
any week day at 2.15 which is the
most convenient time for me.

except Saturdays: or if that ^{W.1.}
time does not suit you please
state when you could see us:
we would bring the two children
for you to see & to decide how
you wish to paint them.

There is a beautiful picture of ours
in this house, one of Mrs Smiley
to whom the house belongs: painted in
'99.

Thursday 16.
