BURLINGTON FINE ARTS CLUB,
17, SAVILE ROW, LONDON, W.1.

14th April 1925

Dear Sir

Many thanks for your letter of the 7th instant
with its kind offer to contribute to the forthcoming
Summer Exhibition

I will place the particulars of the *L'Annuncione*
by Algardi before the Exhibition Committee as early
as possible.

The Committee will be wanting to collect Pictures
Other Objects almost at once - Insurance is effected
by the Club where it is not practicable for owners to
transfer existing insurances.

I am, Dear Sir,

Yours faithfully

G. D. Baird

Secretary
