

7th April, 1925.

Dear Sir,

I have received your invitation for the forthcoming Exhibition of Italian Art of the 17th Century.

I am the happy possessor of a beautiful Terra Cotta Bas Relief of the early 17th Century, the subject being L'Annuncione by the famous Algardi, and I very much hope that this work of art may be suitable to be included in the forthcoming Exhibition.

I am ~~not~~ having a glass case made for it and the size is about 35 inches high and about 13 inches wide.

I would also be very glad to know by what date the work would have to be sent in.

Yours faithfully,

The Secretary,
J.R. Bailey, Esq.,
