Dear Sir or Madam,

Enclosed please find your Membership Card for 1926. You will see that we have been able to include free access to several extra Galleries in the privileges granted to members.

We are very anxious to raise the yearly income of the Society and most urgently ask you to do your best to help us by persuading at least one of your friends to become a member of the Society. With the privileges to which members are entitled this should not be a very difficult matter, and would in a few weeks double our income.

Yours very truly,

H. S. EDE,

for Hon. Secretary.
