Dear Sir,

We have an enquiry from a client as to your charges for painting portraits. We telephoned your studio last week, but your Secretary informed us that you were away and would not be back until this week.

We do not know the exact size of the portrait required, but we think it is to hang alongside another at present in position, a head and shoulders with hands, the size of which is 30" x 40".

We shall be glad if in this particular case you will make the price as low as possible; and we shall also be pleased to know if your commission to us is the usual 25% gallery commission.

We are, Sir,  
Yours faithfully,  
ST. GEORGE'S GALLERY.

Dear Lucid -

Will you please let Miss Perry  
write to this office that I shall  
return at the end of Oct - & that  
the price paid with hands would  
be 7000 - including his 20%  
not 25% -

Also I would like her to write  
me individually but I am prevented  
to return from Paris in time  
to paint Mrs Henderson -  
write 17 but could arrange about  
the 22 - 23 - Oct - and I would

like to have the reply to Paris by  
return - the letter in to be addressed  
to Mr Bowser - of which Miss Perry  
will find a letter with address  
in my letter studies - files -  
Also I would like Stalens who  
was McDermott's - her name  
is put down in my note book  
for the 20<sup>th</sup> Oct 230 if so she too has  
to be returned for a week -

Send me the price for the day - Today  
I wish to store - but in the letter to Henry  
I did not mention the Eric's name  
in fact - in no letters - this evening  
I did not see Eric - had a council  
days not - always yours Jack
