Dear Sir,

I am directed by Mr. de Laszlo to inform you that he has received an estimate from another Firm for the work in connection with the repointing etc. of the boundary walls at his house. This firm contracts not only to do the pointing to all the walls on both sides, but also to supply the bricks and rebuild up a portion of the wall which is in a bad condition, for the sum of £33. 16. 0, therefore in the circumstances Mr. de Laszlo cannot offer you the work.

Yours faithfully,

Secretary.

Mr. G. Alfred,
