Dear Mr. Berkeley -

I am very much obliged to you for your letter of the 9th with cheque for the balance. I accept it very thanks.

I cannot understand why the people have not yet been called - it has to have been done last Sunday - I am sorry to the people at once.

I hope that you would like to plan some in the next time, and we see what I can do about the shops being done the ribbons we have to be specially called whereas the bunches of flowers we are probably being much use to persons. While - by way of a way let me know if you have any other designs -

Yours sincerely

J. Berkeley Wills.
