Dear Mr. de Lacy:-

Let's face it, I am glad to have completely finished nearly for you last Thursday - before Easter - but I have from Baldy that you probably will not now be returning till the middle of the month.

I sincerely hope you will be pleased with the result - I personally think it has 'made' the studio - and I shall be pleased to allow you or your return to discuss any point that may occur and show you my proposal for ornamentation to study preface -

I hope you have had a delightful holiday and are feeling very fit as a result of your change -

Yours sincerely

G. Berkeley Wills
