Dear Mr. de Looze -

Mr. Beldy tells me that you wish me to superintend
an alteration to the window of your new studio, and that you
are returning to town tomorrow -

I shall be in town on ~~Wednesday~~ ^{on Thursday} Friday, next and
shall be pleased to call on you in the afternoon - preferably about
2:30 - if you will let me know which day and time will be convenient
to you.

I understand of course that Mr. Cooper's connection with you
as your architect has terminated, but to avoid any breach of etiquette

I should be much obliged if you, before I visit the work, you would
kindly be able to state that your employment of Mr. Cooper as
your architect has definitely ceased.

Yours very truly
G. Berkeley Wills.
