Dear Mr. de Laey's

My picture was
brought back here by
your employee: but he
was unable to hang it
at the time as a hook
was missing. He gave

us to understand that
he would return, but
he has not reappeared -
My Gutter forgets his
name, but if you could
kindly send it me with
his address I will communicate

with him - I am sorry to
trouble you, but we are
leaving London on Monday
30th inst - and I should like
to picture safely up before
we left - Our best regards
to Mrs de Laigro

Yrs sincerely
Carnock
