

Paris 5<sup>th</sup> July 83 address: Baronne Bayens  
81. RUE DE LILLE. VII<sup>e</sup>

Dear Mr de Bayle,  
I am leaving Paris in a  
fortnight and wish to receive  
my portrait before this date  
So will you please be  
kind enough to send it

Jack at once at this  
address - I wish very  
much to see my portrait  
in my new home before  
I leave. You told me the  
position would be close at the  
end of June. I am fearful not  
having the picture back.  
With kindest regards  
Sincerely  
Edwin Sawyer
