Dear Mr. de Laszlo

You were so surrounded by
friends yesterday that we didn't
bother you ~~to say~~ goodbye - What
a wonderful exhibition & what
a big crowd! I am afraid you
must both have been very
tired by the evening - I was
very excited as I had not
seen my husband's picture since

it was finished - Words fail me
to thank you for it - you are
more than generous, as it has
long since left off being a
"sketch" as I asked for. A
hundred thousand thanks - I
am so grateful. It is so
exciting seeing it in your
exhibition - My husband alas!
had to be at Portsmouth yesterday
but he & I are going to your
show again on Monday. Again
thank you so much. I enclose a
very inadequate cheque for a very splendid
picture - I am longing to get it here to
show it to everyone here — your telegram
