Dear Mr de Laszlo -

I have just arrived here and if fate  
wonders it possible, I will look forward  
to seeing your pictures - but my father is  
so very ill now, that we know not  
from day to day how long it will last -  
Even if it should be possible, I would  
rather see the pictures quietly with you  
sometime - Could not I come the day  
before - Everyone is so kind and so full  
of enquiries about the dear old father,  
that I rather than meeting a lot of  
friends to-father -  
I am so glad you got both pictures

all right -

Believe me always,

In my sincerity

E. Anderson
