My dear Philip,

Many thanks for your note and for sending us an invitation to the Private View of your Exhibition on the 31st. Unfortunately both Ruth and I have to be away on a visit at Norwich from the evening of the 30th until June 2nd, and it will, therefore, be impossible for us to attend your opening. You may be sure, however, that we shall visit the Exhibition as soon as we get back, and probably many times!

As doubtless you know, my portrait has already gone to the French Gallery and I hope you will not dislike the way in which I have had it re-framed.

We are very sorry that you and Lucy could not come to Luncheon with us on the 30th, before we go to Norwich but, of course, quite understand how busy you must be.

Yours ever,
