My dear Mr. Laszlo

I know I am being an
unmitigated nuisance but I
can't help it, so please forgive
me. I do so want to know
whether you have settled yet
as to whether my husband's
picture goes to your exhibition
or not? - you know me well
enough to know that by writing

I am ^{not} trying to force your
hand! it is just hopeless curiosity
& excitement - I should never
even ~~have~~ ^{have} dreamt of the possibility
till you told my husband that
you possibly might include it
& now I do so want to know
for sure - If you do, will you
forgive me pointing out that
his name is "Earl Stanhope DSO-MC
without the "of" which is so
much more usual! - Au revoir,
I am coming up especially for your
exhibition as it will be most exciting seeing

Your pictures but I am
wondering whether I shall

crowd will be tremendous.

Please remember me to Mrs
Lazlo. Yrs. sincerely
