Dear Mr de Laszlo,

Your letter has
just reached me. Your portrait
of me is at your disposal
for the exhibition, with much
pleasure. I am letting my
secretary know so that your
men can fetch it. You
may think it is time it was
varnished or glazed - but all
this is as you will. Thank

You for the offer of tickets
- I am sure Lady Simon
& I will like to go to
see the exhibition, including
Mussolini!

With kind regards

Yours very truly

John Simon

We shall be back in
London by the 27th.
