May 20. 1923

My dear Philip

Of course you shall have
my portrait for your Exhibition
and it shall be delivered to
Mr. Reilly when he calls on the
23rd. I think perhaps it may
need varnishing, but of that you
will be the best judge.

We hope very much to see
you & Lucy again soon. Could
you both come to luncheon with
us here on Wed: 30th at 1.30?
It would be very nice if you could
presumably. See
