81. RUE DE LILLE. VII^e

Dear Mr de Langle,
The French gallery sent their
representation yesterday to collect
the picture

My portrait was just taking
out of the frame and the glass,
was cleaned, I don't want to
have it remain if it is not
necessary as I don't like
pictures to shine, I prefer
it to have the appearance
of an antique portrait

With kind regards,

Sincerely yours

Ernest Bayard
