Dear Mr. de Lászlo

By same post

I am writing my housekeeper

at 11 Hill Street to hand over

the picture of ^{the Marchioness of} Lashy down to

Mr. Reany on the 23rd inst

I wish you had had room

for my son's picture too it is

such a wonderful portrait

but quite understand how

difficult it must be to
fit so many into a limited
space. I am hoping to
arrive in London on the 28th
inst. but will only remain a
few days as I have to go to
Alex. Les. Bains to do a cure
at the beginning of June -
You do not say when your
Exhibition opens and I hope
before I go & as you suggest I

am writing to French Gallery
^{Secretary for}
~~asking~~ a small list of
French whom I would like
an invitation sent to. Will
you please send Lady Duros
invitation to

Strachfield Say. Howe
Mortimer
Berke

I do not know my
movements but will tell him
about your Exhibition and how
how much he would like to see
it and expect to meet him in

Ayrshire on Monday at Belleisle

Sincerely Yours

Margaret Glencanar.
