Dear Mr. de Laszlo,

I am quite agreeable to my portrait being included in the Exhibition of your work and I note you will collect it from this address on the 23rd instant, and I am giving instructions accordingly. As I am just leaving for Scotland would you kindly let the Secretary of the P.& O.S.N.Co. here know if the painting will ^{be} covered against fire, theft and damage during the time it is away from here.

Yours sincerely,

Innes
