My dear Laszlo,

Many thanks for your letter. To avoid all risk of delay I will send my own servant to London with my portrait secure in its own packing case, and he will deliver it personally to Messrs. Frallis 120 Pall Mall on Thursday the 24<sup>th</sup>. My only regret is that the picture won't be hanging in its own place in my dining room when you come to visit me on June 2<sup>nd</sup>.

Enclose you a list of the friends to whom you might send tickets for the private view. I hope it is not too long, if Messrs. Frallis would send to me personally two or three I should be glad.

State it that the great Italian liberator's portrait will be in your exhibition. It must create great interest.

I look forward with keen interest  
to seeing your work - I will certainly  
come to the private view on the 31<sup>st</sup> -  
and two days later I hope to welcome  
you all to my home in the Country.

Heart's greetings to you all

Sincerely yours  
John Tom Woods
