

London, May 16, 1923.

Dear Mr. de Laszlo

Post Wheeler has handed me your letter of the 13th of May, in reference to the exhibition of Mr. Page's portrait, and to the copy of it which you so kindly agreed to make, according to arrangements made with Mr. Harvey before he went to America. We should be quite willing to allow this portrait to be exhibited with your other works at the end of this month, and I will give directions that it shall be ready when you send for it on the 22nd of this month. As it is in the nature of Government property I feel that we should avail ourselves of your kind offer to bear all responsibilities and insurance.

Philip Lombas de Laszlo, Esq.,
3, Fitzjohns Avenue,
Hampstead, N.W.3.

Yours sincerely
By Arthur Beal
