Dear W. de la Haye

I should be
very pleased for you to
have the lovely pictures
you painted of me for
the exhibition - I cannot
tell you how much it has
been admired - I am

Dear -
Sir Leroy - Jones + The Hon
Lady Rose -

afraid it is in our empty
house (108 Westbourne Terrace)
but I will write to my
carpenter, & tell her to expect
someone on the 23rd to call
for it. It is hanging in
the drawing room, & will be
quite easy to get down.

I shall be coming up to
London again soon, & will go to the
Dumb family. Yrs very sincerely
Rose Leeson Power
