81. RUE DE LILLE. VIII<sup>e</sup>

*Invitation*

Dear Mr. de Laisné,

My portrait is still at  
my father's house of Quai's Orsay  
and may be taken there  
about the 17<sup>th</sup> of May;  
if the firm who is going  
to call for my portrait could  
bring it back after the  
exhibition 81 rue de Lille it  
would be more convenient to me.

My name may be shown  
in the catalogue and

I shall let you know  
if I come over for the  
Exhibition

Will you look at the picture  
and if you find it is  
necessary to have it I want  
I should be glad to have  
this work done in London

Believe me

Y<sup>r</sup> very sincerely

Samuel Taylor
