43, RUE DE COURCELLES

Dear Mr. Lylo,

I sent you a telegram yesterday saying I would be very pleased to let you have Miss Morgan's portrait for exhibition in London, and have left an order for your representatives, the 'French Gallery' to take it on the date you mention. Will you kindly catalogue it as follows.

Miss Anne Morgan - and  
owner, Mrs. A. M. Dike

Miss Morgan arrived last week -  
 We are expecting to go to London for  
 a few days in June, to meet Miss  
 Morgan's mother on her arrival from  
 New York. The latter is longing to  
 see the portrait, which will  
 probably still be on exhibition. The  
 family and friends are all  
 such as to with your superb portrait.  
 When is the "show" - and where?  
 With kindest regards from us  
 both -

Sincerely yours.

A. Murray Dike
