Dear M. de Laszlo
P.S. 1

When in the Wlees
here I see you are having
an exhibition of your
portraits and if you would
care to include the two
splendid ones you did
of Lady Doro & my son

I shall be glad if you
take them. I am to be in
Scotland till about the
end of this month but
I could easily arrange with
my housekeeper at Hill
Street about them
at least we have got
Summer weather here after

a long cold & sunny spring
please remember me to

M^r de Loozlo

Sincerely Yours

Margaret
Glencairn.
