SINGLETON,
SUSSEX.

Dear Mr. Ladb.

I see you are
having an exhibition of your
pictures in Yere - would
you like to have mine
from 50. South Audley Street.
If so I can arrange it.
You know I have lost
my beloved Father Sir
Charles. F. Gill - so

am staying quietly in
the country - Thank God
I am now happily
married and have a
friend and companion in
my present husband -

I was very interested to
hear you had painted
Jerusalem - as I was
in Rome last October
November - and much
impressed by him.

Yours very sincerely
