Dear Sir,

It is our intention to devote our Galleries in the coming autumn to an exhibition of Modern Art.

Since we wish to make it as important and as representative as possible of the most interesting phases of current art, we hope that you may see your way to support it by contributing one or two of your works.

We trust that we may have your favourable decision, and on hearing from you we will let you know the date of sending in, and any other particulars you may wish.

We are, dear Sir,
Yours faithfully,

Wallis & Son
