Dear Mr. de Laszlo,

Mary thanks for your letter received this morning, and I note what you say about not holding an exhibition in the summer.

I am not sure that I am not in entire agreement with you, and I would suggest, for your consideration, holding one of a mixed character, namely portraits and those subjects which you showed me in the autumn.

Here is the list for which you asked, and I only hope that you will be able to complete some of these commissions on your return, when I look forward to the pleasure of seeing you.

With kind regards,
Yours sincerely,

H. Wallis
