Dear Mr. de Laszlo,

I am sending you by bearer the coloured reproduction of the Queen of Roumania's portrait, which has been approved of by Mr. Petitjean who was here yesterday.

I shall be glad if you will kindly look at it and see if there is anything that you think might be improved on, and if you will let me know I will take it down to Willesden and see that your suggestions are carried out. Personally I think it is exceedingly good, though the background should, in my opinion, be slightly darker.

Will you kindly let bearer bring it back, as we are anxious to get the matter completed as soon as possible.

With kind remembrances,  
Yours sincerely,

*Harry Wallis.*
