

1st August, 1924.

Dear Sir,

Mr. de Lazzlo wishes me to let you know that his exhibition at the French Gallery has been closed, and and will you kindly make arrangements to have your picture collected.

Mr. Emil Remy, 153, King's Road Chelsea, made the frame and generally does the packing and despatching of pictures. If you wish him to do it, would you please let him know.

Mr. de Lazzlo wishes me also to thank you very much for allowing him to include the picture in the exhibition.

Yours faithfully,

Secretary.
