

10th July, 1924.

Dear Sirs,

I enclose cheque for 250 guineas according to our agreement for the gallery during my exhibition.

Regarding the question of the extension beyond the closing date, I would not mind if it remained open until the end of the month if this did not incur further expense.

I would like to thank you for the messages of Lady Beauty and Dr. Scharff.

Yours faithfully,

Messrs Wallis & Son,
The French Gallery,
