Dear Sir,

You will remember mentioning when arranging the present exhibition, that it might be possible that you would wish the exhibition to extend beyond the agreed date of closing.

As it is our intention to open another exhibition immediately following yours, we should be much obliged if you could let us know what you wish done, so that we can make our own arrangements accordingly.

We would point out that we have not yet received the cheque for two hundred & fifty guineas which, according to our agreement, should have been paid before the opening of the exhibition.

Would you kindly let us know whether there is any possibility of your visiting Scotland in the near future?

We are, dear Sir,  
Yours faithfully,

*Wallis & Son*

P. A. de Laszlo, Esq.

*P.S. Mrs. Beatty, who was here this morning, wishes you to know that she thinks the Exhibition delightful & that "The Drawing Lesson" is the most charming work & that Dr. Schacht of Dublin was in 3 days ago & sends his compliments*
