Dear Lizzie

Of course I shall
be delighted to lend
my portrait for your
exhibition. The flat
is empty and the
porter has the key.
I am writing to him
by the same mail
telling him that he

is to deliver the
portrait to your
messengers on pre-
sentation of en-
closed note.

What a fine por-
trait you'll do of
that beautiful
Queen of Brunnar! We
expect to be
in London en route

for Holland early
in July and are glad
to have this opportunity
of seeing you exhibit.
Kindest regards
from house to house

Ever sincerely
Yours
